GENERAL CONDITIONS AND ENDORSEMENTS

COMPLIANCE WITH LAWS. Tenant shall, at its own expense, comply with all Laws applicable to its use and occupancy of the Premises, including accessibility requirements, fire and life-safety codes and environmental regulations, and shall obtain every permit and license required for the conduct of its business. Landlord shall comply with Laws affecting the structure and common systems of the Building, except to the extent the need for compliance arises from Tenant's particular use. Neither party shall be liable to the other for delay caused by a change in Laws.

HAZARDOUS MATERIALS. Tenant shall not bring, generate, store or dispose of any hazardous or toxic substance on the Premises, other than customary office and cleaning supplies used in compliance with Laws. Tenant shall promptly notify Landlord of any release or threatened release, shall cooperate in any investigation, and shall indemnify Landlord against all claims, costs and liabilities arising from any breach of this Section. Remediation shall be performed by a qualified contractor reasonably acceptable to Landlord, within thirty (30) days where practicable.

SUBORDINATION AND ESTOPPEL. This Lease is subject and subordinate to any mortgage or ground lease now or later affecting the Building, provided the holder agrees not to disturb Tenant's possession while Tenant is not in default. Within fifteen (15) days after request, Tenant shall deliver a signed statement confirming that this Lease is in effect, the dates to which rent has been paid, and whether any default is claimed. Failure to respond shall be deemed confirmation of the facts stated in the request.

CASUALTY. If the Premises are damaged by fire or other casualty, Landlord shall, within sixty (60) days, notify Tenant whether the damage can be repaired within two hundred seventy (270) days. If it cannot, either party may terminate this Lease by written notice. If repairs are to proceed, rent shall abate in proportion to the area of the Premises rendered unusable, from the date of the casualty until repairs are substantially complete.

CONDEMNATION. If all of the Premises, or so much that Tenant cannot reasonably operate, is taken by eminent domain, this Lease shall terminate on the date title vests in the taking authority, and rent shall be apportioned to that date. Tenant shall have no claim against Landlord for the value of the unexpired term, but may pursue a separate award for its trade fixtures, moving expenses and unamortized improvements, to the extent permitted.
